Application No. 10/689,920	:	ON PETITION
Filed: October 20, 2003	:	
Attorney Docket No. CECOM 5458	:	

This is in response to the "Petition Under 37 CFR 1.47(b)," filed October 20, 2003.

The petition is granted.

Petitioner has shown that the non-signing inventor, Shapur Sahba, cannot be reached to sign the oath or declaration for this application. Specifically, the declaration/statement of facts of George Tereschuk establishes that the inventor was mailed the application papers, including the specification, claims and drawings, but those items were returned as undeliverable. In addition, petitioner has shown that the United States Army has a proprietary interest in the above-identified application with the memorandum of law establishing that a court of competent jurisdiction would award title to United States Army. The petition fee has been paid. Lastly, petitioner has submitted a declaration in compliance with 37 CFR 1.63 and 1.64 and demonstrated that petitioner has shown that such action is necessary to prevent irreparable damage.

This application and papers have been reviewed and found in compliance with 37 CFR 1.47(b). This application is hereby accorded Rule 1.47(b) status.

The application will be forwarded to the Office of Initial Patent Examination for further processing.

Telephone inquiries regarding this communication should be directed to the undersigned at (703) 306-3475.
